Terms & Conditions

These general conditions for acceptance of advertising do not limit the Publisher from other policies and procedures which apply to advertising.

A. It is understood and agreed by the advertiser that the reconstruction of advertisements, price changes and excessive copy changes cannot be made by the Publisher after advertisements have been set according to the advertiser’s original layout and copy.

B. All copy and type arrangements are subject to the approval of the Publisher. The Publisher reserves the right to edit, revise or reject any advertisement; however, the Publisher will endeavour to contact the advertiser before advertisements are affected within the meaning of this clause.

C. If an advertisement is deemed by the Publisher to be an editorial-style advertisement, the Publisher reserves the right to insert above or below such advertisement the word “Advertisement”. The use of regular news typefaces or facsimile type styles, which may mislead readers into interpreting an advertisement to be news content, is not permitted.

D. The advertiser assumes full and complete responsibility and liability for the content of all advertising copy submitted, printed and published pursuant to the Agreement, and shall indemnify and save the Publisher harmless against any demands, claims or liability arising from the printing or publication of said advertising copy. The advertiser shall reimburse the Publisher in settlement of claims or in satisfaction of judgments obtained by reason of the printing or publication of such advertising copy together with all expenses incurred in connection therewith, including, but not limited to, legal fees and cost of litigation.

E. The advertiser agrees that The Royal Gazette Limited will not be responsible for advertising material unless return delivery instructions are received within 7 days after receipt.

F. The advertiser agrees that the copyright of all advertisements prepared by The Royal Gazette Limited will be vested in The Royal Gazette Limited.

G. The advertiser agrees that the Publisher shall not be liable for damages arising out of errors in advertisements beyond the amount charged for the space actually occupied by that position of the advertisement in which such error occurred, whether such error is because of the negligence of its servants or otherwise and there shall be no liability for non-insertion of any advertisement. To obtain credits for space charges, that advertiser must examine the first insertion and inform the Publisher so that the next insertion may be corrected if required. Request for credits will not be accepted more than 7 calendar days after the first publication date of the advertisement.

H. The Publisher reserves the right to increase the advertising and other rates at any time with the minimum notice period of two weeks. The advertiser reserves the right to cancel an existing agreement at any date upon which the higher rates are made effective by the Publisher. The Publisher reserves the right to back-rate and re-rate any unfulfilled agreement.

I. Advertisers wishing credit terms must make application through the Accounts Department of The Royal Gazette Limited before credit may be extended.

J. Credit cards may be used for the purchase of all advertising services if an advertiser does not have an account. Most cards are accepted.

K. Accounts shall be paid within 30 days. Accounts that are overdue may be subject to an interest charge and/or administrative charges.

L. Conditions for pre-printed inserts are available upon application to the Advertising Department. Upon application, a copy of the pre-printed insert must be presented, or details of the pre-printed insert must be given to the Sales Director.

M. Colour advertising is accepted on the basis of colour availability on date of insertion. Such details are available from the Advertising Department.

N. If for any reason an advertisement scheduled for guaranteed pages is not published in that position, the normal advertising rates shall apply and the guaranteed-position surcharge shall not apply. Credits or make-goods are not granted for failed-position request or when advertisement is inadvertently positioned next to a competitor.

O. Advertisements cancelled by the advertiser less than two full working days prior to publication may be subject to 50 percent of space charge and/or production charges incurred.

P. An advertising proof sent to a customer becomes the final version of the advertisement unless the Publisher is advised of proof errors in writing on the proof by the appropriate deadline.

Q. Credits for reproduction, colour registration and failure to print colour will be made at the discretion of the Sales Director on an assessment basis.
